Vehicle Description

Supplied new by Jack Barclay Limited on 11th December 1968

This excellent and well preserved example is finished in Garnet (HRH Queen Elizabeth II choice for her own models) with Grey Hide and fine Gold hand painted coach lines.

Grey carpets with lambs wool over rugs and foot rests.

Chippendale dash and rear picnic tables which are both in excellent condition.

Correct Avon Turbosteel tyres as detailed in the original warranty.

Fully functioning Air conditioning. Recently re-gassed and overhauled by a specialist who understands these older systems.

Both small tool kit, jack and wheel brace bag retained in the boot. Feeler gauges are still present and wrapped in the original paper along with the correct Allen key for removing the 'flying B' mascot. Three master keys with the original tear drop key rings (supplied new so not to damage the Chippendale dash)

Only 78,000 miles, backed up by numerous invoices and MOT certificates.

Invoices present are from Rolls Royce and Bentley Specialist Association members such as P&A Wood and Stratton Bentley. More recently maintained by Silver Lady in Brentwood.

Full chronology of the five owners within the file, from the original Jack Barclay delivery note to the present day.

Recent brake and hydraulic fluid change, Bilstein shock absorbers fitted to replace the much maligned original Girling equipment. Just serviced by Silver Lady, with new HT leads and Carburetors' serviced with new needles and jets.

Correct red owners manual.

One for the purist who is looking for a highly original and useable example.

Finance available subject to status.
