Original and complete tool kit, handbooks and service and warranty books.

Only four owners from new,

Full service history comprising of 46 service stamps.

Maintained since 2003 by Shadow Motor Cars

Just inspected by a local Rolls Royce Shadow expert and deemed excellent and everything works and none of the usual (expensive) issues that occur.

Priced to sell to someone who knows how expensive a 'cheap' Shadow can cost to put right and understands the importance of the service history this example comes with.
