Vehicle Description

This One owner example is finished in Racing Green with Cream Leather Piped in Racing Green with Racing Green Upper Dash.

Manual Transmission

Supplied new by Grange Aston Martin on 24th April 1996 Always serviced at Maintained by Aston Martin until 2006 and the Works Service Department thereafter.

Only 11,000 miles since Works Factory Upgrade

Perfect condition and an extremely well looked after example.

Complete with both sets of keys, handbooks, carpet mats and even Aston Martin overmats to protect the carpet mats.

Unused tool kit, complete with yellow duster and Aston Martin umbrella complete with its sale tag still attached.

A unique opportunity to purchase the true heavy weight of the 1990s Supercar Arms race.

Amazing value compared to other 600hp 1990s supercars like the Ferrari F50, McLaren F1

Finance Available Subject to Status
